***PISC IS WISHING ALL
SNOWMOBILERS TO HAVE A
SAFE RIDING SEASON!!!***

BE PREPARED

Be prepared. Despite your best efforts, accidents and breakdowns will happen. Plan ahead. When you go out for a ride, always bring a first-aid kit and a few survival items. That includes a flashlight with spare batteries, tool kit, knife, compass, flares, fire starting kit and some high-energy food. A GPS (global positioning system) could be helpful in emergency situations. Add more items to the list for long or overnight snowmobile trips.

ATTENTION CLUB MEMBERS

We have just been informed that Cycle City will give snowmobile members 25% off items purchases at Cycle City.
